

Team SJ23

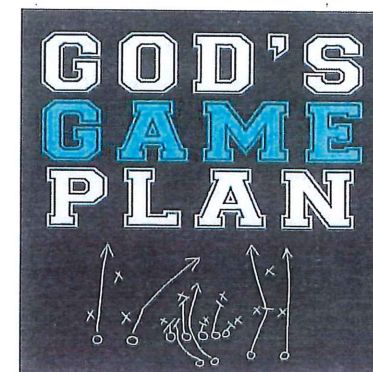

Tournaments: These are the retreats and extra sessions we commit extra time, travel and practices to.

Team Building: These are service projects we will all do to include our entire parish and community team members.

See assistant coaches for times and locations.

Scrimmages: These are family and community events that are fun and learning at the same time.

Tournament/The BIG Game: MASS It all leads up to this and we need every team member, coach and supporter there!
